

Aaron Bazzell is a musician, composer and educator based out of Brooklyn, NY. Growing up in a household where he was just as likely to hear the music of Anita Baker as he would Art Blakey had a profound impact on his musical development. This influence is on display throughout his debut album, *Aesthetic*. Released on 4/22/22, the album spans a variety of genres of music stemming from the African diaspora ranging from samba to funk to swing
